## ANNOUNCEMENT

We extend a cordial invitation to all interested in good cattle to attend our sale. We feel sure that those who come will not be disappointed as the cattle individually are extra good and the pedigrees herein catalogued represent some of the best and most popular blood lines of the Short Horn breed.

We are selling cattle that we would much prefer to keep, but we realize that in order to make a good sale we must sell good cattle.

It has been our aim to breed a class of cattle that were money makers in our hands and we can see no reason why they will not also be profitable for the purchaser.

We are including a number of our show herd and anyone looking for animals to fill classes for the late fall shows can find them in this sale. Again we ask all who are in need of good Short Horn cattle, either male or female, to attend this sale, as we have them.

Yours very truly,

C. B. GRIMES,

R. S. & H. O. GRIMES.

### Guarantee.

We guarantee every animal sold as a single lot a breeder. Cows well along in calf, or with calves at foot, show evidence of breeding and no other guarantee is given. All other cows and heifers of breeding age shall prove to be in calf or get in calf, but if they do not after a reasonable trial period, they can be returned and another animal of equal value will be given in exchange.

Bulls are guaranteed under the same terms. Will not offer any animals that we consider the least doubtful. Each animal tuberculin tested and a certificate of health will be furnished.

### Terms.

Cash, or short time note bearing 8% interest. Anyone not personally known to us desiring to give note for purchase, please bring bank reference. All stock will be loaded on cars after sale without trouble to the purchaser. Buyers risk after bid off.

Sale at Forest Grove Farm, commencing promptly at 1 p. m. Visitors will be entertained at Hotel Florence as our guests without charge.

Free conveyance from hotel to farm and return.

C. B. GRIMES,

R. S. & H. O. GRIMES.

**Forest Hill Seraphina**—bull calf at foot, anyone wanting something fine should look into this lot. There is no better strain. Bred to Sir Avon on May 27, 1915.

**Imp. Seraphina Carissima 3d**—bred by Lord Dudley, Gloucestershire, England. Imported into America by the North Elkhorn Company and sold in their sale near Lexington, Kentucky, in 1875, for \$2,800. She descended from one of the most royally bred families in existence, and one, too, that has been famous in the English show yards for the past half century. Her dam was a full sister to the imported Cherub, sold for \$6,000, and her sire was out of Seraphina 13th, winner at the Highland Society's show at Sterling in 1864.

**Rose's Baron Dudding 140641**—is a pure Cruickshank, bred by H. C. Duncan, of Osborn, Mo. He is dark red with very little white. He has plenty of size with a well set head, good horns, extra good back and quarters and a good rich hide covering a loose mellow hide. His great strength lies in his uniformity. His sire, Baron Dudding 125042 sold for \$1,000 in 1898. He was got by the famous Godoy, he by the Imp. Spartan Hero, out of Imp. Golden Thistle, she by Roan Gauntlet and out of the dam of the Champion of England. Stronger and richer breeding from a Cruickshank standpoint would be difficult to imagine.

**Donald 138115**—red, little white; calved March 25, 1896; bred by C. C. Norton. Was out of Cruickshank's Duchess of Gloster family, was sired by Prince Bishop 67273, was out of Norton's Duchess of Gloster 2d by Imp. Salamis 110075, a pure Cruickshank bull of the noted Secret family and rich in the Champion of England blood.

**Golden Thistle 103420**—red, calved November 11, 1889; bred by W. A. Harris, Linwood, Kansas, got by Thistle Top 83876, out of 3d Linwood Golden Drop by Baron Victor 42824; tracing to Imp. Golden Drop 4th by Sir Christopher (22895).

**Avon's Archer**—is a roan bull of exceptionally fine quality and gives promise of being an excellent bull

**Imp. Seraphina Carissima 3d**—bred by Lord Dudley, Gloucestershire, England. Imported into America by the North Elkhorn Company and sold in their sale near Lexington, Kentucky, in 1875, for \$2,800. She descended from one of the most royally bred families in existence, and one, too, that has been famous in the English show yards for the past half century. Her dam was a full sister to the imported Cherub, sold for \$6,000, and her sire was out of Seraphina 13th, winner at the Highland Society's show at Sterling in 1864.

**Sir Avon 410350**—roan, calved July 16, 1912; bred by Rookwood Farm, got by Count Avon 334946, out of Cresent Marigold by Cresent Knight 180433; Imp. Scotch Marigold by Sir Wilfrid Laurier 157744; Marigold 42d by Sovereign 136638; Marigold 40th by William of Orange 95736.

**Rose's Baron Dudding 140641**—is a pure Cruickshank, bred by H. C. Duncan, of Osborn, Mo. He is dark red with very little white. He has plenty of size with a well set head, good horns, extra good back and quarters and a good rich hide covering a loose mellow hide. His great strength lies in his uniformity. His sire, Baron Dudding 125042 sold for \$1,000 in 1898. He was got by the famous Godoy, he by the Imp. Spartan Hero, out of Imp. Golden Thistle, she by Roan Gauntlet and out of the dam of the Champion of England. Stronger and richer breeding from a Cruickshank standpoint would be difficult to imagine.

**Donald 138115**—red, little white; calved March 25, 1896; bred by C. C. Norton. Was out of Cruickshank's Duchess of Gloster family, was sired by Prince Bishop 67273, was out of Norton's Duchess of Gloster 2d by Imp. Salamis 110075, a pure Cruickshank bull of the noted Secret family and rich in the Champion of England blood.
